Système Huntingdon Inc., (Sh[i]), warrants that, given under normal use and installation complying with recommendations outlined in our specifications, Alto™ products are free from defects in workmanship for a period of 120 months (10 years), commencing from the date of shipping.

Should fading or any other form of damage reduce the original planned use of the product within this period, the manufacturer will, at its personal discretion, repair or replace the product inspected by the manufacturer if found defective.

No material may be returned to the manufacturer's premises without the manufacturer's written consent. The manufacturer's liability is limited to the repair or replacement of the Alto™ product. The manufacturer can not be held responsible for loss of profits or other damages arising from the purchase, use or inability to use the product or for any damages, be they indirect, incidental or consequential.
